

Durmersheim in the film

Picture documents - photos, film and video recordings, paintings and drawings - are valuable contemporary documents. As snapshots, they provide insights into various events and life situations and protect them from oblivion.

To commemorate the 1025th anniversary of the village, the municipality of Durmersheim had an image film made in 2016.

In it our community and our community life will be recorded in 2016.

>> Here you can find the image film of the municipality of Durmersheim, which can also be viewed on the homepage of the municipality of Durmersheim.

Beside this film there is also the "Durmersheimer Heimatfilm 1962", which was filmed under the direction of the Musikverein 1868 Durmersheim and gives an insight into a long past picture of our village.

There is also an article from the SWR series "Da sind wir daheim ..." about Durmersheim from the year 2013, when the Baden-Radio stopped at Bickesheimer Platz.

In May 2014 the SWR-Landesschau Mobil Baden-Württemberg was a guest in Durmersheim and made a film about our place.

In 2015 a visit to the "Pommes-Mann" in our beautiful terraced outdoor pool was also recorded in a short clip.

On the website of the municipality of Durmersheim, "Panorama shots of Durmersheim" with beautiful visual impressions of our municipality are shown.

You can also find some interesting short clips about our village on Youtube under the search term Durmersheim.
